A PEARL WEDDING AT HAIGLER HOME

In Celebration of the 30th Anniversary of Marriage of Mr. and Mrs. Haigler.

The pearl wedding at the J. F. Haigler home last Saturday evening was a decidedly pleasant affair and the following somewhat detailed account of the function has been kindly contributed by one who was in attendance: The pearl wedding of Mr. and Mrs. J. F. Haigler, in celebration of the 30th anniversary of their wedding, took place at their comfortable country home last Saturday evening and was attended by nearly a hundred friends and relatives of the contracting parties who were present to witness the ceremony of the occasion and participate in the pleasures of the evening.

The ceremony was performed by Rev. S. M. Cheek, pastor of the M. E. Church, South, and lasted somewhat the impressiveness of the usual marriage ceremony. It was in fact, a clever burlesque of the original, though the entire ceremony was carried out in a detailed manner. The bride couple entered the spacious parlor to the air of a wedding march, played by Mrs. L. E. Pafford, following the pastor and attended by Mr. and Mrs. Carl Gustafson and F. H. Simmons and Mrs. Clara Beck. The vows of thirty years ago were renewed and a few additional ones taken, following which the couple received the congratulations of their many friends, who wished them as many more years of happy wedded life.

The ceremony being over, delicious refreshments were served. It would be quite impossible to detail a list of the many good things offered; but there was plenty of everything, and special mention should be made of the bride's cake, the credit of which goes to Mrs. C. P. Mullen.

Space prohibits the publication of the large and elaborate list of presents, but it is sufficient to say that there were numerous and valuable and expressed better than could words the esteem in which Mr. and Mrs. Haigler are held by their friends in Tempe and vicinity.

Among those present were the following named: S. M. Cheek, Clara Beck, Mr. and Mrs. C. Gustafson, Mr. and Mrs. F. H. Simmons, Mrs. H. Q. Robertson, Miss Emma Miller, Mrs. Thomas Argue, Mrs. W. W. Dobson, Mrs. D. G. Buck, Mr. and Mrs. E. Schmidt, Mrs. Jessie P. Bransford, Mrs. E. K. Meier, Mrs. B. B. Meier, Mrs. Thomas Dennis, Mrs. J. E. Sturgeon, Mrs. C. A. Corbell, Mrs. J. B. Cook, Mrs. C. M. Mullen, H. Q. Robertson, Mrs. C. G. Jones, Mrs. B. H. Scudder, William Rohrig, T. J. Parry, L. E. Pafford, B. B. Meier, A. J. Peters, W. W. Dobson, I. G. Buck, J. B. Cook, Flora Thew, Edith Mullen, Martin Rohrig, C. G. Jones, Thos. Argue, C. E. Hill, Mrs. Wilbur Fleck, Emma French, Mrs. L. E. Hanna, Mrs. I. V. Stewart, Mrs. L. E. Pafford, Mrs. Rosa Parry, Mrs. Martin Rohrig, Mrs. J. J. Bodett, Miss Marie Armstrong, Mrs. A. J. Peters, C. A. Corbell, I. V. Stewart, B. H. Scudder, L. H. Frankenberg, Miss Elizabeth Cosner, E. L. Thew, Mrs. Paul Seitz, Mrs. E. P. Carr, Mr. and Mrs. Norman Walters, Ed Carr, Mrs. J. F. Martin, Rosie Miller, Mr. and Mrs. Al Miller, Floyd Miller, Lynn Martin, Mike Martin, Hoyt Martin, Lydia Miller, Marie Miller, Ernest Pafford, Pearl Haigler, Ruby Haigler, Eva Haigler and Hattie Martin.

A MEAN TRICK.

Complaint is made that some party or parties is making a practice of clipping the coupons in the scholarship contest from papers in town mornings right after their delivery and before the paper is read by the subscriber. While who ever is doing this is no doubt motivated by the best of motives in the hope that it will help a favored contestant, it is a matter of fact and steps have been taken to prevent any more of this kind of work.

NEW SCHOOL BUILDING WILL FACE THE WEST

This Point Decided Upon by the High School Board.

A special meeting of the Union high school board was held in the high school rooms Monday evening and a considerable volume of business transacted. All members of the board were present and in addition to these Prof. Scudder, Prof. Nevison and Attorney Woolf were also present. The board first regularly employed Prof. B. M. Nevison as teacher of manual training. He arrived here Saturday and will at once enter upon the performance of his duties. His salary will be \$125 per month.

The board then took up the partial consideration of the plans and specifications of the new buildings, two complete copies of which are now on hand. Another meeting will be held next Monday evening at which time final action will be taken. It is quite probable that between now and that date several informal meetings of the board will be held for the purpose of discussing certain points about the plans. Final action was taken on the matter of facing the building, which point it will be remembered caused some little controversy some months ago and at a mass meeting held then, it was decided to give the board full power to decide this matter. Acting upon this authority the board concluded Monday evening after some discussion on the subject to face the building to the west, on Mill avenue. A number of bills were audited and ordered paid as soon as the funds from the sale of the bonds are available.

Miss Stewart, teacher of domestic science, was authorized to order such supplies as might be found necessary in her work and Prof. Nevison was instructed to obtain prices on the necessary desks, tables, tools, etc., to be used in the manual training department.

Jose Sozo was officially employed as janitor of the present high school quarters.

All this business required some little time and it was a late hour when the meeting finally adjourned to meet again as above stated next Monday evening.

THE BOARD OF TRADE ELECTED SECRETARY

And Transacts Other Business at a Regular Meeting Monday night.

The regular monthly meeting of the board of trade was held Monday evening in the council chambers, with almost a full attendance of the members. There were so many different meetings of one kind and another Monday evening that it is a wonder the different bodies were all able to secure a quorum, but they did and the board of trade, like the high school board, disposed of considerable business of more or less importance.

It was found sometime ago that the amount first sent the Phoenix board of trade to help out in the matter of the Albuquerque exhibit was insufficient to meet the needs of the board and another contribution was asked for from the Mesa and Tempe board. The Tempe share amounted to \$25 and this was ordered paid, a check for the amount being sent the Phoenix board yesterday. It is a source of much satisfaction to the members of the Tempe board that it has thus far been able to meet all its monetary obligations when they became due and still retain funds sufficient for the running expenses of the board in the treasury.

A proposition to place display signs at Ash Park and Maricopa directing the traveler to Tempe, the garden spot of the Salt River valley, was discussed at some length but no official action was taken.

Some time ago Secretary O. S. Thompson tendered his resignation to the board on account of business that will necessitate his leaving Tempe. The resignation was accepted Monday evening and Mr. Thompson was given a vote of thanks for his efficient services. The vacancy was filled by the election of E. W. Griffen.

The board will hold another meeting next Monday evening.

HELD TO THE GRAND JURY.

The Story O'Brien Told Monday Was Different From The Evidence.

Patrick O'Brien failed to make the story he told the court Monday afternoon stick when it came up again yesterday and he was confronted with evidence that directly controverted nearly all of what he had told the day before. At that time he had said that his partner, Walt Rogers, and himself had a half interest in the horse he thought he was selling. Mr. Rogers claimed that O'Brien was merely working for him and had been in his employ but a few days; that he had no interest in anything he owned and had been fired by him the day he came to town. It was found that there was a slight similarity between the two rigs, but none whatever between the two horses. O'Brien was up against it hard and admitted as much. There seemed to be nothing that could be done for him but hold him until the grand jury could have a try at the case and this was accordingly done in the sum of \$150.

NOTES AND PERSONALS.

E. W. Griffen returned yesterday from Keams' Canyon where he spent

the summer on a surveying party. He will enter the normal.

There will be an important meeting of the fire department this evening and all members are urged to attend. Attention is called to the change in Lukin's ad this morning.

The Ladies Aid society of the Congregational church will meet with Mrs. D. G. Buck tomorrow afternoon at 2:30. As this is the first meeting since the summer vacation, a good attendance of the members is requested. The Easterwood confectionery store has on hand a quantity of Concord grapes.

W. E. Geach has installed as a necessary part of his office equipment a new Monarch typewriter.

The Mercantile company today in its ad offers some good advice to wives.

W. J. Kingsbury finally left Tempe Monday evening on his summer vacation which has been deferred from time to time until it can hardly be called a summer outing.

The Ladies Aid society of the M. E. church will meet tomorrow afternoon at 3 o'clock at the church. All members are urged to attend.

BEST CATARRH DOCTOR

Has Cured Thousands—Will Cure You or Money Back.

This is the little Hyomei Inhaler, the little doctor that has cured many thousands of sufferers from catarrh, bronchitis, asthma, hay fever, coughs, colds, and grip. It's so easy and pleasant to cure yourself with Hyomei. Just pour a few drops in the little inhaler, and breathe it in. The healing, soothing and antiseptic air will reach every nook and crevice of the mucous membrane of the nose and throat; will stop the irritation almost immediately; will allay the inflammation; drive out the foul odor; kill the germs and cure the disease.

"My wife has been using Hyomei for two months for catarrh and pulmonary trouble. She has received more relief from the use of Hyomei than from any other treatment."—E. S. Parrett, Jeffersonville, Ohio.

"Hyomei cured me of terrible earache and buzzing in the head. I would not be without it in the house for a single night."—Mrs. S. P. Fuller, Columbia, S. C.

The Larson Drug Co. sells Hyomei (pronounced High-o-me) and guarantees it. A complete outfit, including inhaler, only costs \$1.00, and an extra bottle of Hyomei, if afterwards needed, will cost but 50 cents.
